EXHIBITION  
PRICES

Organized by: IGS - SPAIN  
International Geosynthetic Society  
Spanish Chapter  
[www.igs-espana.com](http://www.igs-espana.com)

## Exhibition and Sponsorships

### EXHIBITION

The Exhibition will be held indoors, 17 Stands, where Manufacturers and Suppliers will be able to display their products and services to potential clients. It will be a showcase for all geosynthetic related industries and services and will be held concurrently with the Congress lectures.

#### Details of Exhibitor stands

The exhibition will be located next to the main auditorium with 17 stands of size 3x2m.

Modular display stands.

The stands will be supplied with lighting, carpet, 2 chairs and a table. Also a vinyl sign with the company logo in one color.

All stand fees, includes one Registration.

#### Choosing your stand

The organization of the Exhibition will allocate the stands according the guidelines of Booth Selection Procedures , for IGS Corporate Members, at IGS Conferences & Exhibits. Please send an email to the contact provided [sponsor@geosinteciberia.com](mailto:sponsor@geosinteciberia.com) and you will be answered with the choice awarded. After that, you will be requested for payment and signed the exhibition lease contract and you will be sent a comprehensive Exhibition Manual which will provide the necessary stand reply forms, guidelines and general terms and conditions.
